

any time. The State Director may determine that one or more of the processing office staffs do not have adequate training and expertise to routinely complete application dockets without State Office review. In such cases, the State Director should establish guidelines by memorandum or by State supplement to the subpart for the necessary State Office reviews.

(h) *Loan approval and fund obligation.* Loans must be approved and obligated in accordance with § 1942.5(d) of subpart A of this part 1942 and subpart A of part 1901 of this chapter.

§§ 1942.109–1942.110 [Reserved]

§ 1942.111 Applicant eligibility.

(a) *General.* Loans under this subpart are subject to the provisions of § 1942.17(b) of subpart A of this part 1942.

(b) *Credit elsewhere determinations.* The approval official must determine whether financing from commercial sources at reasonable rates and terms is available. If credit elsewhere is indicated, the approval official should inform the applicant and recommend the applicant apply to commercial sources for financing. To provide a basis for referral of only those applicants who may be able to finance projects through commercial sources, approval officials should maintain liaison with representatives of lenders in the area. The State Director should keep approval officials informed regarding lenders outside the area who might make loans in the area. Approval officials should maintain criteria for determining applications that should be referred to commercial lenders and maintain a list of lender representatives interested in receiving such referrals.

(c) *Public use.* Loans under this subpart are subject to the provisions of § 1942.17(e) of subpart A of this part 1942.

§ 1942.112 Eligible loan purposes.

(a) Funds may be used:

(1) To construct, enlarge, extend, or otherwise improve essential community facilities primarily providing fire or rescue services primarily to rural residents and rural business. Rural businesses would include facilities such as educational and other publicly owned facilities. “Otherwise improve” includes but is not limited to the following:

(i) The purchase of major equipment, such as fire trucks and ambulances, which will, in themselves, provide an essential service to rural residents.

(ii) The purchase of existing facilities when it is necessary either to improve or to prevent a loss of service.

(iii) The construction or development of an essential community facility requisite to the beneficial and orderly development of a community operated on a nonprofit basis in accordance with § 1942.17(d) of this subpart. This subpart includes those projects meeting the definition of a small community facility project.

(2) To pay the following expenses, but only when such expenses are a necessary part of a loan to finance facilities authorized in paragraph (a)(1) of this section:

(i) Reasonable fees and costs such as legal, engineering, architectural, fiscal advisory, recording, environmental impact analyses, archaeological surveys and possible salvage or other mitigation measures, planning, establishing or acquiring rights.

(ii) Interest on loans until the facility is self-supporting but not for more than 3 years unless a longer period is approved by the National Office; interest on loans secured by general obligation bonds until tax revenues are available for payment, but not for more than 2 years unless a longer period is approved by the National Office; and interest on interim financing, including interest charges on interim financing from sources other than FmHA or its successor agency under Public Law 103–354.

(iii) Costs of acquiring interest in land, rights such as water rights, leases, permits, rights-of-way, and other evidence of land or water control necessary for development of the facility.
